Accelerating Your Family Law and Collaborative Practice Workshop

Presented by Elizabeth Ferris, Practice Growth Consultant

Program Overview

This workshop is for family lawyers and collaborative professionals who are ready to accelerate their practice. The course carries 6 CPD points

This workshop goes beyond theory and “talk” to practice, execution and **results!**

Elizabeth Ferris has been helping organisations to accelerate their growth for over 20 years and has specialised in helping lawyers, law firms and collaborative practitioners to attract more clients for the past 9 years.

Why You Should Attend

You have been trained in the principles of collaborative practice and have seen how it can benefit your clients. Now is the time to implement what you have learnt and take your practice to the next level of success. In this workshop you will learn **what works** so you can create an action-oriented plan to expand, and proactively build your practice.

The tools in the workshop apply to key practice growth strategies and will assist you to grow all areas of your family law practice.

What You Will Learn

In this workshop you will:

- Discover the four essential building blocks for growing your practice.
- Increase your comfort and knowledge about how to effectively “market” your practice.
- Identify and communicate your unique differentiator to targeted clients and referral sources.
- Learn who your best clients are and how to attract them to your practice.
- Create a result-focused action plan.

At the end of the workshop you won't just know the theory on how to grow your practice, you'll be able to apply the same skills for success that have worked for practitioners across North America and Europe.

"Your presentation in London last week was properly inspirational. Instead of the usual marketing tricks repackaged as a new product, your presentation was fresh and relevant and has inspired me to adopt a new strategy."

-London Family Law Solicitor

By attending the Accelerating your Collaborative Practice Workshop you are making one of most cost-effective investments you can make this year. You will be taking an active step towards **growing the practice you want to create**.
